insightful collection of thirteen lessons designed to help  
Christian women mature into all that Christ has planned for  
them to be. The spiritual beauty of a woman must be  
cultivated like a garden. Beautiful women, like beautiful  
flowers, require hard work, preparation, patience, pruning,  
and the love of a skilled gardener. Christian women must be  
rooted in God s Word to achieve their ultimate spiritual beauty.  
Some are planted in more difficult environments than others,  
but, with God s help and nourishment, all can blossom into  
their full beauty. These lessons are classic, timeless studies  
prepared by one who has already gone home to be with the  
Lord. She touched many lives for good during her years on  
earth, and she continues to teach by her godly example and  
the written works she has left behind. Allow her to help  
cultivate your heart s garden into the beautiful legacy that you  
were designed by God to produce.
