Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

MY DINOSAUR

BOOK THUG, United States, 2016. Paperback. Book Condition: New. 193 x 127 mm. Language: English . Brand New Book. The figure of the father occupies a particularly significant place in Quebecois literature--there's a real fascination with fathers, and this recurring persona populates fiction, films, and the stories people tell of their families and themselves. Thus, it's not surprising that, as he witnessed his own father's frailty, Francois Turcot--one of Quebec's most celebrated young literary voices--would write his own dedication to his vanished father, entitled *My Dinosaur*. In this, his first collection of poems to be published in English (and translated by renowned poet Erin Moure), Turcot excavates, reconstructs, and pays tribute not just to the father, but also to the figure of the son, and to writing itself as key to story, emotion, memory, and history. The dinosaur of *My Dinosaur* is that of the distant father, sought in mourning, by the son. With luminous and lucid writing, Turcot excavates the fossil gaze of his father, in an elated elegy composed of poems both tensed and open, minimalist and talkative, serious and droll, alternating the voice and writings of the father with the fictions and assemblages of the son--reminding us that a man's story can only be told by assembling the shreds and bits that we've accumulated over the course of our lives. As prolonged metaphor for all disappearances and for the endurance of memory, Turcot's meticulous assembly in *My Dinosaur* is a tribute to all our Dads. Turcot's surprisingly light and wryly humorous poems will resonate deeply with readers who are inquisitive about the role of family and memory in the construction of identity and self. Scholars who are exploring literary work on grief, and anyone who has lost a parent...
