

Best Practices for Investment Committees

By Rocco Dibruno

John Wiley Sons Inc, United States, 2007. Paperback. Book Condition: New. 210 x 132 mm. Language: English . Brand New Book. An indispensable guide to avoiding the legal and financial pitfalls and of retirement plan investment While it has always been true that a well-staffed and managed investment committee is key to the success of a corporate retirement plan, in today's increasingly complex and litigious world it is also a matter of survival. But what constitutes a prudent investment committee selection and operating process? How should a committee be selected and governed? How much reliance should a committee place on outside consultants? Written by an author with extensive, in-the-trenches experience, this book provides complete answers to these and all vital questions concerning the creation, staffing and management of a highly-adept investment committee, along with expert advice and guidance on serving on an investment committee and ensuring that your 401(K) investment program is sound, efficient and in complete compliance. Offers expert advice and guidance on how to serve successfully on an investment committee, facilitate effective management, design and implement a robust investment policy and much more Packed with sample documents, forms, templates, checklists, diagrams and other valuable, ready-to-use resources Features...
