Brand New Book ***** Print on Demand *****.Excerpt from Louisiana and Texas for the Winter Tourist No Route to the southwest, the Gulf Coast and western Texas offers such varied interest and charm as that of the Southern Pacific - Sunset Route, stretching from New Orleans on the east, along the coast of the Gulf of Mexico, across the plains of Texas, to the Mexican border at El Paso. Commencing at New Orleans, where the romantic atmosphere of a gay and a tragic past clasps hands with a life that is modern and engrossing, this route crosses the Mississippi River near its wonderful delta by means of a mammoth car ferry, and thence for a hundred miles or more lies through the Sugar Bowl of Louisiana. Picturesque lakes and bayous and reed-grown savannas, interspersed with spots of deep, rank, southern forest, moss-draped and ghostly, alternate in the view with immense sugar plantations whose stately mansions are seen through the groves, suggesting days of southern chivalry and the old Creole aristocracy.
