Biblia Volume 9

By Charles Henry Stanley Davis

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1897 edition. Excerpt: .into hieroglyphs from the debased hieratic in which the texts were originally written; also a lithographic facsimile of one of them to show the style of the writing. The prayers, etc., which compose the collection, offer few difficulties to the translator; and where the veteran Egyptologist has (as he intimates in the preface may sometimes be the case) not traveled abreast of recent research, the student can generally make the necessary corrections for himself. The texts are of no great interest, but are largely derived from earlier funerary works, some passages of which, illustrating the title, are appended to the book. It is to be regretted that the documents are given in an undigested form, without index, table of contents, or explanatory introduction. They fall into several fairly distinct groups, and if they were all complete would in most cases be classified by the...
