Things are going well in Rabbit Creek. Elizabeth has taken her duties as the Alpha's Mate to heart and as the story opens, that heart is breaking for the loneliness and isolation of one of her pack. It's Christmas Eve and no one should be lonely at Christmas. Lindy doesn't feel like she has much to celebrate. After two years of widowhood, she can barely make ends meet without the aid of her pack and while her inner wolf is ready to move on, Lindy isn't sure she can let go of the past. New to the pack, Travis had party plans for the Holidays, but he ends up playing Santa to a pretty little widow and her pup. She's not what he was looking for, but she's exactly what he wants and his inner wolf agrees. Now all he has to do is convince Lindy that Christmas gifts aren't always the ones you find under the tree.
