Society is terrified by what appears to be an out-of-control epidemic of child molestation with little or no resolution in sight. The Perverse Plague invites you to delve beyond the overly simplistic, stereotypical, and politically correct dialogue of our day regarding sexual offenders to discover the whole truth behind the molestation of children and to do so through the framework of a Christian worldview that also incorporates established, well-documented psychological truths. Whether you are a church leader, clinician, or layperson; a victim of molestation, a concerned citizen, or a perpetrator, this book will inform, challenge, and satisfy as no other. This is a powerful story of failure, progress, and then failure again, but finally freedom and wholeness. -Dr. Neil T. Anderson...
