OCLC Number: 318912093 Excerpt: . . . offers opportunities for rapidly moving IT systems from the drawing board to the field. It addresses other key issues including training our people and strengthening our industry partnership. A key area of the report is based on three years of previous DSB studies on information assurance that becomes critical the further we move into the net-centric cyber era. Combatant commanders, as well as our Terms of Reference (TOR), noted the criticality of teaming with our interagency partners. We agreed, but as we progressed, a complete look at of all of our interagency partners was beyond the time allotted for this study. However, recognizing that interagency operations between the Department of Defense and the Department of Homeland Security (DHS) have reached a critical stage, the task force provides an in-depth look at the relationships between these two agencies in the report. Working directly with the leadership of U. S. Northern Command (USNORTHCOM), the National Guard Bureau (NGB), and DHS, the report lays out actions for specific programs that will provide immediate results in building a net-centric enterprise as a part of the DOD DHS partnership. The primary recommendation of the report is for the Secretary of Defense to issue a directive letter establishing a Net-Centric Cyber Council co-chaired by the Deputy Secretary of Defense and the Vice Chairman of the Joint Chiefs of Staff to manage the implementation of the DOD program. With the plan for DOD defined in Part I and for interagency interoperability in Part II, we have presented a path forward in a 500-day plan in Part III. The task force urges the Secretary of Defense to put this...
