Reviews

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

THE BABY DIARIES

[DOWNLOAD](#)

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Baby Diaries, Sam Binnie, The hilarious and heart-warming second in the series from the author of The Wedding Diaries. "I'd be sick right now, but I never like to reinforce a cliché." A few weeks after Kiki and Thom return from honeymoon, Kiki finds there's a noticeable absence. An extremely serious noticeable absence of something, it turns out, Kiki now realises she was pretty glad about. One pregnancy test later, Kiki's breaking the "good news" (Thom: Wow. We're so Edwardian.) and rewriting all the plans she'd made before. With an ever-expanding waistline, her nightmare childhood "friend" Annie pregnant too, all the problem authors at Polka Dot Books she could (not) wish for and an army of NW London's Smug Mothers to deal with, these nine months might not be the nine months of blooming relaxation she'd been promised.
