The United States has long worked closely with Japan to build a strong, multifaceted relationship based on shared democratic values and mutual interest in Asian and global stability and development. The Japanese government headed by Prime Minister Junichiro Koizumi has welcomed the Bush Administrations desire to deepen alliance relations and its avoidance of publicly resorting to gaiatsu (foreign pressure) in addressing American concerns about Japans serious and economic and financial problems. U. S. - Japan relations are of concern to Members and Committees with responsibilities or interests in trade, U. S. foreign policy, ballistic missile defense (BMD), and regional security issues. The latter include North Korean nuclear and missile proliferation, Chinas emergence as a potential U. S. military adversary, and U. S. military bases in Japan, whose importance has been underscored once again by their by U. S. forces engaged in the antiterrorist campaign in Afghanistan. Despite resistance from the larger of the of the Koizumi governments two coalition partners and the main opposition party, the Koizumi government gained parliamentary passage in October 2001 of legislation permitting the despatch of Japanese ships and transport aircraft to the Indian Ocean to provide rear-area logistical support to U. S. forces engaged in the anti-terrorist campaign in Afghanistan. Because of a . . . This item ships from La Vergne, TN. Paperback.
