Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I have always been quick to compile words in stories. I have already had a book publish: Reflections Poems and Verse - FarMor Publishing Company ISBN 978-0-9767862-7-6 I am a Primary School Teacher and the book was inspired by the lack of detail in the children s writing that I experienced while marking their stories. I started the story so that I could get them more engaged. I got engrossed in it so I completed the story hence the need to have it published. I live in Leyton, London, England and have been leaving here for the last 35 years. I am originally from Trinidad but I am a British citizen. I am divorced but have been living with my spouse for over twenty years together with a daughter of 13 and a son aged 21.
