### Reviews

*Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 276 pages. Dimensions: 9.0in. x 6.0in. x 0.6in.I must point out here the principal works of documents on which I have drawn for this book, and explain my manner of reference. I. First and foremost come the writings of the Saint herself : -Her Life; The Book of the Foundations; The Way of Perfection; The Interior Castle. These I quote from the translation by Pather Bouix (Librairie Lecoffre), and since the editions are numerous, and the pagination of them may differ, I refer as a rule to chapters. One of the most important sources is furnished us by her Letters. Of these the new edition of Father Gregoire de Saint-Joseph is that to which I refer. Beyond question. This valuable publication sets right many interesting points and gives us a very large number of fragments which, if not all hitherto unpublished, in the strict sense of the word, had never been translated into French. As often as possible have given the date of the letter: this gives facility, in certain cases, for referring to Pather Bouix's translation. Next come: The Manner of Visiting Convents, a pamphlet, Rules and Constitutions of the Carmelites. II. General History of the Carmelite Friars and Nuns of the Reformed Order of St Teresa, compiled in Spain by Pather Prancisco de Santa Maria, new translation (with notes) by Pather Marie Rene. At present published 5 vols. 4to. Lerina Abbey. 1896 (not on sale). Memoir on the Foundation, Government and Rule of the Discalced Carmelite Nuns. published on behalf of the Carmelite Nuns of the first convent of Paris. 2 vols. large 8vo. Reims, 1894. Pather Ribera. Life of St Teresa in 2 vols. 8vo. Paris, Lecoffre. The Bollandists. The Spain of...
