Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Hachette Children's Group. Hardback. Book Condition: new. BRAND NEW, Silence is Goldfish, Annabel Pitcher, The third YA novel from the bestselling and prizewinning author of MY SISTER LIVES ON THE MANTELPIECE and KETCHUP CLOUDS, in which Tessie-T discovers she's a Pluto and her parents wanted a Mercury or Venus, at least. My name is Tess Turner - at least, that's what I've always been told. I have a voice but it isn't mine. It used to say things so I'd fit in, to please my parents, to please my teachers. It used to tell the universe I was something I wasn't. It lied. It never occurred to me that everyone else was lying too. But the words that really hurt weren't the lies: it was six hundred and seventeen words of truth that turned my world upside down. Words scare me, the lies and the truth, so I decided to stop using them. I am Pluto. Silent. Inaccessible. Billions of miles away from everything I thought I knew. Tessie-T has never really felt she fitted in and after what she read that night on her father's blog she knows for certain that she never will. How she deals with her discovery makes an entirely riveting, heart-breaking story told through Tess's eyes as she tries to find her place in the world.
