Reviews

This publication is fantastic. It is one of the most amazing publication i have got study. I am just pleased to explain how this is actually the best pdf i have got read through in my individual lifestyle and could be he finest publication for possibly.
(Mr. Kristoffer Hills)

CLASS IN BRITAIN

U.K / Polity Press, 1998. Soft cover. Book Condition: New. No Jacket. Social class differences and inequalities are alive and flourishing in contemporary Britain. In reviewing a wide range of sources, this book provides easy access to the empirical research on social class. It illustrates how class differences reach into society, affecting not only life-styles but also life-chances - birth, health and death. Reid demonstrates how social class is related to most aspects of life in Britain including: differences in wealth and income, education and qualifications, work and leisure, expectation of life and experience of health, housing, sex and family relationships, political and religious beliefs and activity. A 1st edition, in new condition. (284 pages & 20 pages of perface).
