Learn To Process Information Faster Than You Can Speak And Hear Speed reading is a communication skill that can shave hours of work off of almost anything you do in life. This niche skill has been around for hundreds of years but in recent years it has resurfaced as a relevant life hack skill. Whatever your reason for learning to speed read, whether you are reading books, newspapers, reports, memos, letters or emails, Speed Reading is a skill that will give you a tremendous edge. Instead of staying later at the office to read through another manual or report, save your time by reading faster and get out of the office. Use your spare time to read more books - in less time. Why Speed Read? Not only can speed reading save you hours of time during work, but also it can increase comprehension. Learning to speed read is learning to visualize information with a new perspective. By analyzing and envisioning words more efficiently one is able to grasp the meaning and consequently, read faster. As a final...
