Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Fifth Sorceress, Robert Newcomb, 'Only the four Mistresses remained from the hundreds she had loved, lost and left behind. "Soon, my dear Sisters," she thought. "So many shall pay. Pay for the sins of their ancestors ." It is three centuries since the devastating war that all but destroyed the kingdom of Eutracia. Those who masterminded the bloodshed - four powerful, conquest-hungry sorceresses -- were banished and sent into exile beyond the feared Sea of Whispers, with return all but impossible, death all but inevitable. Since those dark days, Eutracia has flourished, protected and guided by its council of wizards. Now a land of peace and plenty, it is about to crown a new king and the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the endowed blood that will enable him to master magic, and destined to succeed his father as ruler of this land and its people, he is a rebel soul. But more than tradition compels Tristan to ascend the throne. The very survival of Eutracia depends upon it. For after these long years of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. It seems an ancient evil, nurtured over centuries of darkness, has returned and is thirsting for blood, for domination and, above all, for revenge. Tristan's fate is to fulfil a role chosen for him by an ages-old prophecy - to face an adversary whose hatred knows no bounds and whose greatest weapon is the person he loves most. Not since Terry Goodkind unsheathed the Sword of Truth has such a tale of heroism and magic so captured the imagination. Brimming with excitement and wonder, dark intrigue and dread enchantments, THE FIFTH...
