*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

The good thing about these distinct categories is that they re not that distinct, some poems could fit into one or more category. So, I ve dumped them where they are, and you ll have to go with the flow. You could always tear the page out and paste it in a different category, if you feel so inclined - unless you re reading the e-book. I ve recently contemplated a fifth category as one or two of my rhymes have a political edge to them. Fortunately, there aren t that many, and I ve slotted them in under the existing categories. You ll probably spot them, so take them as you see fit. In a number of cases I ve tried to give the poems context, explaining what inspired the poem, or give insight as to what I...
