Whitman Publishing. 1 Cloth(s), 2012. hard. Book Condition: New. Along with an in-depth focus on the Allies' amphibious assault Operation Dragoon in southern France on August 15, 1944, this book covers the tactical operations of the 6th Army Group (Seventh U.S. and First French Armies) until February 1945. Exhaustively researched and bolstered by firsthand accounts, this book is part of a series that traces the U.S. Army's European combat experiences in World War II from Operation Overlord through Germany's surrender, seen not only from the Americans' point of view but also from that of their German adversaries. Each volume can be read separately but also fits within the framework of the series, and features dozens of black and white photographs, glossaries, and other supplemental information; some contain additional pull-out maps printed in color. 641.
