Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Teenage Publishers, New Delhi, 2016. Soft cover. Book Condition: New. 22 cms. 238pp. Have you ever met a pretty girl in a suspicious condition with blood stained hands lying in a hotel room where you are staying in? Can a love story see its acceptance in the Indian society when the boy is from slums & the girl is born in a rich family? How many of you have met those girls who were molested by their known ones when they had not even crossed the age of 14? Isn't forced & unwilling sex after marriage similar to a rape? Whether the prayers offered in love strong enough to bring back someone's lost beloved from PoK? How many of you know a person whose deeds are completely ideal, something which only a God can do? Whether religion, caste or community should really be a parameter in deciding the hierarchy & dominance of people living in this world? God and his girl-friend is a mercurial story about two youngsters, from entirely different backgrounds who strive hard against their comfort to live with their passion. A boy from the slums and a girl from a rich lavishing family set out on an embarking journey to touch the moon. This takes them through many tests, eventually tying them up in love, followed by an unforgettable service to the nation as true stalwart patriots.
